Watergrasshill Trio: Chris Healy, Dylan & Cillian Roche , made history during 2016 when they won the Munster Youth Darts Final at the start of the year in Waterford and they went on in March to win the All-Ireland Youth Darts 2016 in Ennis Co. Clare, representing Cork Youth Darts A team. Cork Youth Darts Organisation have approx. 40 youth members, ranging in ages from 9 to 18 years of age, battling to make the A team, It's truly great achievement to have from our village of Watergrasshill the 3 lads making it onto the Cork A team. Cillian ,15 years old, has been the number 1 dart player in Cork for the past 2 years, Chris 17 years old, has received the player of the year for 2015, and Dylan, 11 years old, was the youth who checked out his Doubles to win both the Munster and All-Ireland Finals. The lads have won countless ranking events to get them onto the Dart team, most recently the lads have thrown exhibition darts against Phil "The Power" Taylor & Steve Bunting to raise money for Marymount Hospice. Congratulations to the Boys on their successful achievements in the world of darts, they have put the village of Watergrasshill on the Dart map, who knows we may yet see them in the near future stepping up to the Oche in the Alexandra Palace ( Ally Pally) . You can follow the lads progress on Facebook - Cork Youth Darts-City and County

## Kids Drama Classes

*starting September 2016 at First Fruits Arts Centre*

**FREE TASTER SESSIONS MONDAY JUNE 6<sup>TH</sup>!**

Professional actors Kate Fielder and Steven Lafford will be running drama classes in Watergrasshill from September. Classes will be for ages 4-7, 8-12 and 13-17. You'll play games, devise stories, create characters and make new friends. Older children will also learn improvisation and other acting techniques as well as working on plays. Plus, you'll get the chance to perform work to family and friends. Drama is a brilliant way to improve confidence, speech, communication, focus, imagination and expression, but most of all it's great fun! Acting is for everybody, whether you've done any drama before or not, it's just about joining in and enjoying yourself.

Our hope is to establish a youth theatre here in the village. The Arts Centre is a wonderful resource and stands to serve as an exciting platform for young people in the community to showcase their creativity.

If you'd like to find out more then come along to one of our free workshops on Monday June 6<sup>th</sup>. We'll be holding one session for each age group in the Arts Centre from (TIME)
